Clinically Validated
for accuracy and reliability

Easy to Use
with one button operation
and a voice guided option

Bluetooth-Enabled
options for use with the
free Heart Track app

Backed by a
5-Year Warranty

Prescription Requirements

To qualify for reimbursement:

- The patient must be enrolled in Medi-Cal.
- A valid prescription for a blood pressure monitor must be issued by a licensed healthcare provider.
- The prescription should specify the need for a home blood pressure monitor and, if applicable, the required cuff size.

Billing Instructions

- Submit claims using the appropriate NDC code listed above.
- Ensure the prescription is on file and meets Medi-Cal documentation standards.
- Refer to the Medi-Cal Rx Provider Manual for detailed billing procedures and compliance requirements.

FAQS

Can pharmacies bill Medi-Cal directly for these monitors?

Yes. Use the listed NDC codes and follow Medi-Cal Rx billing procedures.

Are accessories like cuffs reimbursable?

Yes. Multiple cuff sizes are covered under Medi-Cal.

Do patients need training to use these devices?

No. Devices are designed for simple, at-home use with clear instructions and optional app support.
